

#116 TAKING OFF 4/4 Key of A #116
(To the tune of "Leaving on a Jet Plane" by John Denver)

INSTRUMENTAL INTRO: A //// D //// E7 //// ////

All the songs are sung, it's time to go
We love our jammin', but we all know
The time has come for us to say goodbye
Our fingers are sore, our voices need rest
We sang out strong and we strummed our best
We wish that we could stay, we can't deny

With one last song we end the night, ukes in hand, we're taking flight
Lift your voices raise them to the sky
We're leaving, fuel the jet plane we're taking off but we'll be back again
So fly your uke flags high

When the jam is over, and we're headed home
It doesn't stop 'cause we bring it along
When we play our ukuleles every day
Practise strums and chunks chords and scales
Tricky picking patterns, just trim your nails
Hold it close, and you'll be on your way

REPEAT CHORUS

OUTRO

We're leaving, fuel the jet plane we're taking off but we'll be back again
So fly your uke flags high, fly your uke flags high
