PART A

C
 I hear singing and there's no one there
 G7
 I smell blossoms and the trees are bare
 All day long I seem to walk on air
 C
 I wonder why.....I wonder why? ***
 I keep tossing in my sleep at night
 C7 F
 And what's more, I've lost my appetite
 C
 Stars that used to twinkle in the skies
 G7 C (G7) (C)
 Are twinkling in my eyes I wonder why

PART B

C
 You don't need analyzing
 It is not so surprising
 G7
 That you feel very strange but nice
 Your heart goes pitter patter
 I know just what's the matter
 C
 Because I've been there once or twice
 Put your head on my shoulder
 You need someone who's older
 C7 F
 A rub-down with a velvet glove
 There is nothing you can take
 C
 To relieve that pleasant ache
 G7 C (G7) (C)
 You're not sick you're just in love
