INTRO: Count in "1...2...123" right into the song

Well she was just seventeen, you know what I mean

And the way she looked was way beyond compare

So how could I dance with another (ooooh)

When I saw her standing there

Well my heart went boom when I crossed that room

And I held her hand in mi-ee... een (234) X (234)

I'll buy you a diamond ring, my friend, if it makes you feel all right

I'll give you anything, my friend, if it makes you feel all right

Cause I don't care too much for money

money can't buy me love (234,12)

Close your eyes and I'll kiss you, tomorrow I'll miss you

Remember I'll always be true

And then while I'm away, I'll write home every day

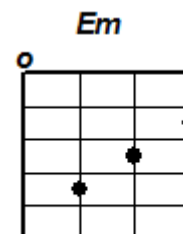

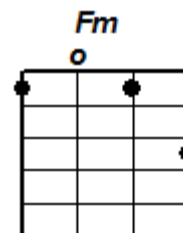

And I'll send all my loving to you (234) //// (slow-down)

I think I'm gonna be sad; I think it's today, yeah

The girl that's drivin' me mad, is going away

She's got a ticket to ride, She's got a ticket to ri-i-ide

She's got a ticket to ride, and she don't care My baby don't
