(Everybody Ought to Play the Ukulele)

INTRO: Dm// G7// C// A7// Dm// G7// C///

Everybody ought to play the ukulele

Then you could play the ukulele like I do

You could swing on a star, with your little guitar

Makin' music all the hula ladies do the hula to

C D7 C Everybody ought to play the ukulele

Oh, the world'd be such a happy place to be

Why don't-cha be like me, pick up the ukulele

And you can play the ukulele like I do

Can you yodel while you play the ukulele?

Yodel ay-dee ukulele yodel hoo

It's fun when you try to be a Swiss and Hawaiian

That is yodel while you play the ukulele too

Can you yodel while you play the ukulele?

Oh, the world'd be such a happy place to be

Why don't-cha be like me? Pick up the ukulele

And you can ukulele yodel ay-dee hoo

Dm Why don't-cha be like me, pick up the ukulele

And you can ukulele yodel ay-dee hoo
