

**#47 BLUE WATER LINE 4/4 Key of C**  
(Martin Seligson)

**#47**

**INTRO: C //// //// G7 //// C ///**

<sup>C</sup> The City Council met last week, the <sup>F</sup> vote was four to three <sup>C</sup>  
To tear the home town depot down and build a factory <sup>G7</sup>  
<sup>C</sup> To take that stretch of history and tear it off the map <sup>F</sup> <sup>C</sup>  
To take old engine number nine and turn it into scrap <sup>G7</sup> <sup>C</sup>

**CHORUS:**

<sup>C</sup> Blue Water, Blue Water, <sup>F</sup> Blue Water Line <sup>C</sup>  
<sup>C</sup> Blue Water, Blue Water, <sup>G7</sup> Blue Water Line  
If you can't afford a quarter, then you ought to give a dime <sup>F</sup> <sup>C</sup>  
<sup>F</sup> If everybody gave then we could save the <sup>C</sup> Blue Water Line <sup>G7</sup> <sup>C</sup> (G7/) (C/)

<sup>C</sup> Oh, I could tell you stories of the <sup>F</sup> glories of that train <sup>C</sup>  
Of the '49er miners and the time old Jesse James <sup>G7</sup>  
<sup>C</sup> Stole a thousand golden nuggets in that great train robbery <sup>F</sup> <sup>C</sup>  
And when old Abe Lincoln rode with Tad upon his knee <sup>G7</sup> <sup>C</sup>

**REPEAT CHORUS**

<sup>C</sup> Just twenty thousand quarters and forty thousand dimes <sup>F</sup> <sup>C</sup>  
We'll ride again to glory on that old Blue Water Line <sup>G7</sup>  
<sup>C</sup> We'll have William Jennings Bryan stokin' coal on number nine <sup>F</sup> <sup>C</sup>  
So dig inside your pockets for the old Blue Water Line <sup>G7</sup> <sup>C</sup>

**REPEAT CHORUS 2X**

**REPEAT LAST LINE 1X**
