F *Bb* *F*
 If I had wings, like Noah's dove
 Dm *F*
 I'd fly the river to the one I love
 Bb F *C* *F*
 Fare thee well, my honey, fare thee well

F *Bb* *F*
 Well I had a man who was long and tall
 Dm *F*
 Moved his body like a cannonball
 Bb F *C* *F*
 Fare thee well, my honey, fare thee well

F *Bb* *F*
 I remember one evening in the pouring rain
 Dm *F*
 In my heart was an aching pain
 Bb F *C* *F*
 Fare thee well, my honey, fare thee well

F *Bb* *F*
 One of these mornings, and it won't be long
 Dm *F*
 You'll call my name and I'll be gone
 Bb F *C* *F*
 Fare thee well, my honey, fare thee well

F *Bb* *F*
 Show us a bird, flying high above
 Dm *F*
 Life ain't worth living without the one you love
 Bb F *C* *F*
 Fare thee well, my honey, fare thee well (234,12)
 Bb F *C* *F* *C/F*
 Fare thee well, my honey, fare thee well (234,1)
