

RAINBOW CONNECTION (jam test) 3/4 Key of C

(Paul Williams & Kenny Ascher)

(A gentle song. Consider one slow strum on chord changes or a picking pattern)

INTRO: C /// F // (rest) C /// F //

C *Am* *Dm* **G**
Why are there so many songs about rainbows
C *Am* *Dm* **G**
And what's on the other side
C *Am* *Dm* **G**

C *Am* **F**
And rainbows have nothing to hide

F
So we've been told and some choose to believe it
Em7 **E7**
I know they're wrong, wait and see

CHORUS

Dm ***G7*** ***Em7*** ***A7***
Some day we'll find it, the rainbow connection
Dm ***G7*** ***C///***
The lovers, the dreamers, and me ***F // (rest) C /// F //***

C **Am** **Dm** **G**
Who said that every wish would be heard and answered
C **Am** **F** **G**
When wished on the morning star
C **Am** **Dm** **G**
Somebody thought of that and someone believed it
C **Am** **F**
Look what it's done so far

F What's so amazing that keeps us stargazing
Em7 **E7**
 And what do we think we might see
