I'M A BELIEVER   4/4   **Key of G**
(Neil Diamond)

INTRO: G / / / /   D / / / /   G / / / / / / / /

```
G                  D          G
I thought love was only true in fairy tales
                      D            G   G7
Meant for someone else but not for me
C                     G             C
   Love was out to get me (do do do do), that's the way it
G                  C                    G            D        D/
seemed (do do do do); disappointment haunted all my dreams
```

CHORUS
```
                   G    C   G     C      G     C G
    Then I saw her face          now I'm a believer
    C    G    C  G    C          G      C G
    Not a trace       of doubt in my mind
    C    G/         C/          G/           F/          D
    I'm in love (hmmm) Whoa, I'm a believer I couldn't leave her if I tried
```

```
G                  D          G
I thought love was more or less a givin' thing
                      D            G   G7
It seems the more I gave the less I got
C                     G             C
What's the use in tryin' (do do do do), all you get is
G              C                    G            D        D/
pain (do do do do); when I needed sunshine I got rain
```
