```
G       D7  C    G              D7     C    G
I see a bad moon a-risin', I see trouble on the way
         D7   C              G              D7  C    G
I see earthquakes and lightnin', I see bad times today
```

```
    C                            G
Don't go 'round tonight, it's bound to take your life
    D7          C               G
There's a bad moon on the rise
    C                            G
Don't go 'round tonight, it's bound to take your life
    D7          C               G
There's a bad moon on the rise
```

```
G       D7  C       G                  D7     C    G
I hear hurricanes a-blowin', I know the end is comin' soon
        D7   C   G              D7      C        G
I fear rivers overflowin', I hear the voice of rage and ruin
```

```
    C                            G
Don't go 'round tonight, it's bound to take your life
    D7          C               G
There's a bad moon on the rise
    C                            G
Don't go 'round tonight, it's bound to take your life
    D7          C               G
There's a bad moon on the rise
```

```
G           D7      C    G                  D7        C      G
Hope you got your things together, hope you are quite prepared to die
              D7    C    G                  D7    C    G
Looks like we're in for nasty weather, one eye is taken for an eye, well…
```

```
    C                            G
Don't go 'round tonight, it's bound to take your life
    D7          C               G
There's a bad moon on the rise
    C                            G
Don't go 'round tonight, it's bound to take your life
    D7          C               G
There's a bad moon on the rise
    D7          C               G      G/
There's a bad moon on the rise
