```
               G                    C        G
(Verse 1)  If I was a flower growing wild and free
           G                    D           G
All I'd want is you to be my sweet honey bee.
           G                    C        G
And if I was a tree growing tall and green
           G                    D       G
All I'd want is you to shade me and be my leaves.
```

CHORUS

```
         G                    C      G
    All I want is you, will you be my  bride?
                         D              G
    Take me by the hand and stand by my side.
                     C          G
    All I want is you, will you stay with me?
                         D            G       (D)(G)
    Hold me in your arms and sway me like the sea.
```

           G                    C          G
(Verse 2)   If you were a river in the mountains tall,
                               D       G
The rumble of your water would be my call.
                     C              G
If you were the winter, I know I'd be the snow
                                   D            G
Just as long as you were with me, when the cold winds blow.    REPEAT CHORUS
```

```
           G                  C    G
(Verse 3)   If you were a wink, I'd be a nod
                       D        G
If you were a seed, well I'd be a pod.
                     C              G
If you were the floor, I'd wanna be the rug
                     D          G
And if you were a kiss, I know I'd be a hug.       REPEAT CHORUS
```

```
           G                  C      G
(Verse 4)   If you were the wood, I'd be the fire.
                     D        G
If you were the love, I'd be the desire.
                   C        G
If you were a castle, I'd be your moat
                     D          G
And if you were an ocean, I'd learn to float.       REPEAT CHORUS
```
