

# SOUP CHRISTMAS MEDLEY 2019

**INTRO: C / / / / / (Christmas bells only)**

Oh, the weather outside is frightful, but the fire is so delightful  
 And since we've no place to go, let it snow, let it snow, let it snow  
 Oh, it doesn't show signs of stopping, and I've brought some corn for popping  
 The lights are turned way down low, let it snow, let it snow, let it snow

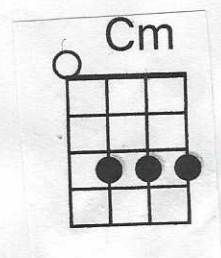

When we finally kiss good night, how I hate going out in the storm  
 But if you really hold me tight all the way home I'll be warm  
 Oh, the fire is slowly dying, and my dear we're still goodbye-ing  
 But as long as you love me so, let it snow, let it snow, let it snow (234,1234)

You better watch out, you better not cry, you better not pout  
 I'm telling you why Santa Claus is coming to town (234,123)  
 He's making a list, he's checking it twice, he's gonna find out who's  
 Naughty or nice Santa Claus is coming to town (234,123)

He sees you when you're sleeping, he knows when you're awake  
 He knows if you've been bad or good, so be good for goodness sake Oh  
 You better watch out, you better not cry, you better not pout, I'm telling you why  
 Santa Claus is coming to town (234,1234) (Speed up, Voice goes down a bit)

Jingle bells, jingle bells, jingle all the way Oh, what fun it is to ride  
 In a one-horse open sleigh, hey! Jingle bells, jingle bells, jingle all the way  
 Oh, what fun it is to ride in a one-horse open sleigh (234) (slow down)

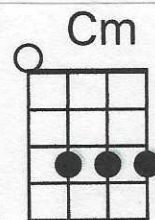

I'm dreaming of a white Christmas just like the ones I used to know  
 Where the tree tops glisten and children listen to hear sleigh bells in the snow
