Oh, well, in five years time we could be walking round a zoo  
With the sun shining down over me and you  
And there'll be love in the bodies of the elephants too  
I'll put my hands over your eyes, but you'll peep through

And there'll be sun, sun, sun all over our bodies  
And sun, sun, sun, all down our necks  
And there'll be sun, sun, sun, all over our faces  
And sun, sun, sun, so what the heck

Cause I'll be laughing at all your silly little jokes  
And we'll be laughing about how we used to smoke  
All those stupid little cigarettes and drink stupid wine  
Now a ukulele's all we need to have a good time

And now it's fun, fun, fun, when we are strumming  
Yeah it's fun, fun, fun, and we're not drunk  
And it is fun, fun, fun, cause we are laughing  
It's fun, fun, fun, oh it's fun (whoo!)

**INSTRUMENTAL: G // C // D // C //, G // C // D // C /**

Oh, well, I look at you and say it's the happiest I've ever been  
 And I'll say I no longer feel I have to be James Dean  
 And she'll say "Yeah, well I feel all pretty happy too  
 And I'm always pretty happy when I'm kicking back with you"

Let it be love, love, love, all through our bodies  
 And love, love, love, all through our minds  
 Let it be love, love, love, all over your face  
 And love, love, love, all over mine

Although maybe all these moments are just in my head  
 I'll be thinking 'bout them as I'm lying in bed  
 And all that we believe might not even come true  
 But in my mind I'm having a pretty good time with you, oh

In five years time, I might not know you  
 In five years time, we might not speak at all  
 In five years time, we might not get along  
 In five years time, you might just prove me

Oh, there'll be love, love, love, wherever you go  
 There'll be love, love, love, wherever you go  
 There'll be love, love, love, wherever you go  
 There'll be love, love, love, wherever you go There'll be love
